IDAHO STATE FIRE COMMISSIONERS' ASSOCIATION

Dear Business Owner,

The Idaho State Fire Commissioners' Association (ISFCA) represents more than 160 fire districts serving communities throughout Idaho. These districts are governed by over 600 elected fire commissioners and supported by more than 8,000 firefighters and emergency medical responders, more than 80% of whom are volunteers.

Through education, training, advocacy, and legislative engagement, ISFCA works to strengthen Idaho's fire districts and support the protection of life and property across the state.
