IDAHO STATE FIRE COMMISSIONERS' ASSOCIATION

Dear Business Owner,

The Idaho State Fire Commissioners' Association (ISFCA) represents more than 160 fire districts serving communities throughout Idaho. These districts are governed by over 600 elected fire commissioners and supported by more than 8,000 firefighters and emergency medical responders, over 80% of whom are volunteers.

Each year, ISFCA provides education, advocacy, and leadership training to help fire districts effectively protect life and property across Idaho.
